Small Signage

QM32C

Slim design. Stunning performance.

Introducing QM32C, the Samsung signage with an ultra slim design that brings elegance to business while maximizing space. This products deliver an unparalleled slim design that fits into any business, its enhanced internal solutions and intuitive home screen UX make it easy to use. Businesses in various verticals can achieve growth with QM32C's efficiency and design innovation.

Key features

Ultra Slim Depth

The QM32C has an unparalleled ultra-slim thickness of 28.5mm, which allows you to install it neatly and easily in any environment. QM32C optimizes space with its sleek design that blends seamlessly into your business.

Even Bezel

The bezels are consistent and even on all four sides of the display, with the same thickness and dimensions. The new even bezel design prevents any visual issues from arising when the display is adjusted to portrait mode.

Home UI

QM32C boasts greater usability with an upgraded home screen UI. Popular categories like Favorites, Sources and Settings are displayed on the same screen for convenient availability.

Samsung VXT

Samsung VXT is the cloud-based visual display solution, bringing a content management system and remote signage management together in one secure platform.

Energy star / EPEAT Bronze

QM32C series has earned an ENERGY STAR 8.0 certification from the Environmental Protection Agency for its energy efficiency and an Electronic Product Environmental Assessment Tool (EPEAT) certification in recognition of its eco-conscious efforts, such as its recycled plastic use.
